### City Attorney Office Mission Statement

The mission of the Office of the City Attorney is to safeguard the legal, ethical, and financial integrity of the City of Fort Pierce. This is accomplished by offering legal services to the City Commission, Officials, and several Boards in a manner consistent with the City's Charter, Code of Ordinances, and the laws of the State of Florida and the United States, in a manner meeting the highest standards of professional diligence and ethics.

### The City

Fort Pierce has retained much of the charm of the fishing village that it was when incorporated in 1901 as it evolved to the highly diverse community found in larger urban areas today. The City is the county seat of St. Lucie County, Florida. It is known as the "Sunrise City" and is located on Florida's Treasure Coast. The Treasure Coast commemorates the sinking of a recently discovered Spanish fleet in 1715 to distinguish the area from other parts of Florida. The natural beauty of the City is evident to even the casual visitor. The City is located on the Indian River Lagoon with easy access to the Atlantic. Fort Pierce is still known for its exceptional fishing, beautiful sand beaches, and outdoor activities.

The City encompasses approximately 31 square miles and is home for a diverse population of approximately 47,927 residents. The US Census estimates that 30.9% of the population is white alone, not Hispanic or Latino, 43.5% black or African American alone, and 22.9% Hispanic or Latino. The City population is also diverse economically with an estimated household median income of \$40,323 and 27.1% of the population is estimated to be "in poverty."

The Commission, community, and Police Department have combined efforts to keep the Fort Pierce a place where families and businesses can thrive. The National Council for Home Safety and Security ranked the City as one of the 100 safest cities in Florida.

The City population is growing. Efforts are being made to maintain the historic, family friendly ambiance of a beach community while encouraging economic growth.

The cost of living in Fort Pierce compares well to other areas of south Florida and the US generally. According to the "Best Cities" survey, the overall cost of living in Fort Pierce is rated 87.6 on a 100-point scale. The cost of housing is particularly noteworthy as it is listed at 66.7 on the same scale. It should also be understood that there is considerable variation in housing costs throughout the City.

## Low Crime

The City's aggressive policing initiatives, strategies, and community engagement, have resulted in a significant and continuing pattern of crime reduction. In fact, over the last 5 years, there has been a 20.8% decrease in violent crime, a 51% decrease in property crime, and a 36% decrease in overall Part 1 UCR crime. Fort Pierce's steadily declining crime rate has made the City a safer place to live, work and play. According to the National Council for Home Safety and Security (Alarms.org) and Safewise.com, Fort Pierce is among the top 100 safest cities in Florida, ranking 61 and 99 respectively.

## The Climate

Fort Pierce has a humid subtropical climate, with hot, humid summers and warm, drier winters. Summer temperatures average in the low 90s while winter brings temperatures in the 70s. Approximately 51 total inches of rain fall annually during 133 days with rain. Tropical storms and hurricanes are possible in the region but their occurrence in Fort Pierce have historically been infrequent and without substantial property damage.

## The Economy

Much of the Fort Pierce employment is currently in the government and service industries.

The easy access to the Florida Turnpike, Interstate 95, the Treasure Coast International Airport, the Port of Fort Pierce, and developable properties with the City and within annexable areas offer continued opportunities for a growing economy.

## Issues

The Commissioners do not see any one issue of overriding importance to the City. However, several issues are percolating that will likely require prompt attention:

- City expansion through annexation and the disposal of surplus City-owned property continues to be a probability with required legal guidance.
- Development agreements will continue to be negotiated and need to be enforced as businesses are attracted to the business climate and quality of life available in the Fort Pierce area.
- Effort is needed to continue the update the City Code of Ordinances.
- Other issues are common to any City Attorney's Office. The next City Attorney should expect to be involved with development/redevelopment, code enforcement, contracts, labor relations and negotiations, law enforcement, etc.

## The Ideal Candidate

The Commissioners are looking for a person who, in addition to having the educational, experiential, and license qualifications listed for the position, has the personality and personal integrity necessary to guide the, at times, demanding commissioners and staff. The Attorney is expected to operate in a collaborative, diplomatic and respectful manner but not at the expense of offering quality legal advice.

The ideal candidate would exhibit a passion for the opportunities for making Fort Pierce a continually improving community to live and work in.

The ideal candidate would understand what it means to operate in an ethnically and economically diverse community and with a governing board which reflects that diversity.

The ideal candidate would appreciate that the City operates with a limited internal attorney staff and contracted outside counsel. It is expected that the City will continue to be flexible with the management and internal operations of the Office.

The ideal candidate would have a working understanding of the potential liabilities from public safety and other aspects of City operations.

As part of the City's leadership team, the City Attorney will work with the Commissioners, City Manager, City Clerk and staff to find ways to accomplish the City goals within the framework of the law.

The bottom line is that the next City Attorney will exhibit independent judgment as well as the highest level of professionalism, ethics, and dedication. The person will understand that the City Attorney reports collectively to all five members of the Commission, with no one person receiving better treatment or information.

The position requires a Juris Doctor (J.D.) degree and licensure to practice law in Florida. Note that Florida does not have reciprocity with any other state.
